...doing more for our children...

Dear Kindergartner Parents,

We welcome you and your child to BFA-Fairfax! So many exciting and enriching years await you here. We would like to take this opportunity to tell you about the PTSA.

The BFA-PTSA is a not-for-profit organization made up of parents, educators, students, and other citizens who are taking an active role in promoting the education of the children of Fairfax. Our efforts support children ages birth through grade 12. We are working to:

- Promote the health and safety of our children
- Provide scholarships and enrichment programs for students
- Provide avenues for communications among parents, students, administration, and teachers
- Provide support for parents as they work to become actively involved in their child's education

We have many exciting plans for the 2009-2010 school year. In order to continue our past programs and to allow us to add more, we need your help. Families support our organization in a multitude of ways. The most commonly known form of support is volunteerism. Parent volunteers provide an array of services from donating baked goods for activities, coordinating an activity, helping with set up and/or clean up at an activity, etcetera. Other forms of support include enrolling as a member, participating in fundraisers, attending monthly planning meetings, running for an officer position, etcetera. Your ideas, input, and support are needed in which ever form works for you and your family.

The current PTSA Officers are as follows:

President:	Christel Michaud	(849-9757)
Vice President:	Andi Elledge	(849-2504)
Secretary:	Laura George	(527-5092)
Treasurer:	Julie Filiberti	(849-6599)

Please feel free to contact any of the officers with questions, ideas, or suggestions you may have. We would love to hear from you. We will send you a membership enrollment form at the beginning of the school year as well as information regarding our activities. Until then, enjoy your summer!

Respectfully

Christel Michaud  
PTSA President
