Helping Our World Community

Fifth Grade needs your help to raise money for the victims of Japan's recent natural disasters. On March 11, a massive 9.0 magnitude earthquake occurred near the northeastern coast of Japan. It created a destructive tsunami wave leaving hundreds of thousands homeless. Fifth graders want to help by rounding up your spare change. We will be collecting change beginning Monday, March 28th and ending on Friday, April 15th. All donations will go to the Red Cross Japan Fund. There will be change collections jars outside the fifth grade doors. Thank you for your support, together we all can make a difference
